

## Presents

### **The Fit Triathlete: Health Training for the endurance athlete.**

Inaugural symposium, conference, and fundraising event at the Miami Anatomical Research Center (MARC) on TUESDAY, JANUARY 27, at 6:00 PM. The event will be broadcast live globally via Google Hangouts with interactive Q&A on OrthoNOW.tv.

Our goal is to educate athletes of all levels by examining smart training by world-class endurance athletes. We will discuss injury prevention and cutting edge treatments for common injuries.
